who appeared before the court and submitted application for disposal of his case on the basis of plead guilty for the reasons; that he is a poor person, cannot afford the expenses of litigation, and that being first offender, lenient view may be taken against him. Application is placed on file.

- (4). Arguments heard and record gone through.
- (5). Perusal of the case file reveals that the accused was having only 890 grams of chars in his possession; therefore, he is held guilty of the offence punishable u/s 9 (c) of the Khyber Pakhtunkhwa CNSA, 2019. Hence, he is convicted of the offence. But as the accused is first offender and there is no record of his previous involvement in such like offences. Keeping in view the aforementioned circumstances and the clean breast admission of the guilt of the accused, his poor financial status and recovery of only 890 grams of chars by taking a lenient view, instead of sentencing him at once, he is placed on probation for a period of one (01) year subject to the executing of bonds in the sum of Rs. 50,000/- with two sureties to the effect that the accused would commit no offence and to keep the peace and be of good behavior during the period of bond and to appear and receive the sentence, if called upon to do so during that period to the satisfaction of Probation
