Case little:		Muhammad Jameel VS Suhbat Khan etc
Order No. 03 continued	26.06.2025	It is pertinent to mention that defense was
		exceedingly harsh in their opposition to the claim of the
		petitioner. Their conduct was characterized by defiance
	·	and prospective disobedience against which they were
		cautioned in strict and clear terms. Any conduct in the
·.		court that might corrode its dignity or authority shall not
		be tolerated.
		Arguments heard and record perused.
		Reasons:
		Petitioner claims that disputed gate, and the plot in
		front of it are his entitlements. Defendant deny his title as
		claimed. Petitioner's counsel pointed out that although
		respondents have denied petitioner's claim to title, they
. · :		have not made any claim or stated any relation of their
		own to the suit land.
		This objection prompted the court to verify it with
		the help of the counsel. Other than an incidental mention
	· .	'our field' the pleadings of the respondents omit to make
		any direct and particularized claim to the title of the suit
,		land.
		Petitioners' counsel further posed a rhetorical
	11	aquestion as to why someone would expend funds on
	JAZ

Clearly, it has been decades since the gate was first
