		<p>has cultivated corn crops. He further reported that the accused/petitioners along with co-accused illegally entered into his fields, cut the crops and taken the same in a Pick-Up bearing No. C4043 and the son of complainant, who was present in the fields, was intimidated by them with weapons. Hence, the present FIR.</p> <p>After hearing both the parties and perusal of the record, it was found that the allegations against the accused/petitioners u/s 506 PPC falls within the bailable part of said Section. The act of cutting crops from five fields in presence of the complainant in a daylight by four persons only, does not seem to be an act of theft. The dispute in respect of the property from where the crops were cut down is evident from the statements of accused who have also produced some jirga verdicts in their favour with the admission of cutting the crops from their own fields. One of the accused is aged about 77/78 years. In such circumstances, malafide on the part of complainant, in view of the said property dispute, cannot be ruled out.</p> <p>Hence, the application is accepted and ad-interim pre-arrest bail granted to the accused/petitioners is confirmed on the strength of existing bail bonds. File of this Court be consigned to record room after its necessary completion and compilation. Copy of this Order be placed on judicial/police file.</p> <p><u>Announced:</u> 11.11.2025</p> <p style="text-align: right;">  (HAQ NAWAZ) Sessions Judge, Orakzai at Baber Mela </p>
