Order 02	17.07.2026	Petitioner through counsel present. Counsel for petitioner has moved an application seeking unblocking/restoration of his Computerized National Identity Card, which had been blocked in connection with FIR No.119 Dated: 03.12.2022 u/s 489-F PPC PS Kalaya. The record has been perused and the counsel for the accused/petitioner heard. The record reflects that the matter has been amicably resolved between the parties and the complainant has extended pardon to the accused. The blocking of a CNIC is intended to facilitate the administration of justice and is not to be continued unnecessarily once the circumstances justifying such restriction no longer exist. In the present case, keeping in view the pardon extended by the complainant and the facts and circumstances available on the record, this Court is satisfied that no legal justification remains for the continuation of the restriction upon accused/petitioner
