Order No.07	17.10.2026	Petitioner and respondent No. 7 present in person. Arguments already heard. The record perused. This civil revision petition was preferred against the order dated 30.06.2026 passed by the Court of Senior Civil Judge, Orakzai in Civil Suit No. 369/1 of 2020 whereby local commission was appointed. After hearing both the parties and perusal of the record, it was found that after hearing final arguments in the case and going through the pro and contra evidence of the parties, the commission was appointed by the learned trial Court to find out measurement of the plaintiffs' house/constructed area and measurement of the disputed land between the house to the west and the stream. According to Order 26 Rule 9 CPC, in any suit in which the Court deems a local commission to be requisite or proper for the purpose or elucidating any matter in dispute, the Court may issue commission to such person as it thinks fit directing him to make such investigation and to report thereon to the Court.

		During the course of arguments, the learned counsel for the petitioner could not point out any illegality or irregularity in the impugned order or the exercise of jurisdiction not vested in the Court. It was also not pointed out that the Court has failed to exercise a jurisdiction so vested in it, as provided under Section 115 of the Code of Civil Procedure. In view of the above, this revision petition, being devoid of merits, is dismissed. File of this Court be consigned to record room after its necessary completion and compilation. <u>Announced:</u> 17.10.2026  (HAQ NAWAZ) District Judge, Orakzai at Baber Mela
