Order No. 04	21.11.2026	Plaintiffs through one Umar Sadiq present. Defendants have already submitted cognovit. This order decides instant case filed by the plaintiffs, namely Muhammad Amin and Mst. Bibi Tayyaba, seeking correction of their Manual Marriage Registration Certificate in the official record maintained by the defendants. **Brief Account:** The claim as related in the plaint is that plaintiffs No. 1 and 2 are legally wedded spouses and their marriage was solemnized on 10.06.2011. However, due to an inadvertent omission, the signatures/thumb impression of plaintiff No. 1 and his representative were not affixed on the manual Marriage Registration Certificate maintained by the defendants. It is further averred that plaintiff No. 1, Muhammad Amin, is presently residing abroad and intends to obtain visas for his children. However, the verification of the visas of his children has been obstructed due to the absence of his signature's/thumb impression on the Marriage Registration Certificate. It is also relevant to mention that, upon perusal of the

Defendants were summoned, they appeared before the Court and submitted their cognovit, thereby admitting the claim of the plaintiffs. Arguments heard and record perused. **Reasoning:** Perusal of the available record reveals that the plaintiffs claim to be legally wedded spouses and that their marriage was solemnized on 10.06.2011. The defendants have also submitted their cognovit in favour of the plaintiffs, admitting their claim regarding the correction of the Marriage Registration Certificate. Furthermore, the email correspondence placed on the file reflects that the omission in the Marriage Registration Certificate has created difficulties for plaintiff No. 1 in obtaining visa-related verification for his children. In view of the pleadings of the plaintiffs, the material available on the record and, particularly, the admission made by the defendants through their cognovit, this Court finds that the claim of the plaintiffs is duly supported by the available record. Consequently, the plaintiffs, namely Muhammad Amin and Mst. Bibi Tayyaba, are held to be
